

NCDC SHOWCASE PERFORMANCE UPDATE 6/6/09

Hi NCDC Families,

Is everyone ready for the Showcase? Have you bought your tickets @www.ncdc.com? Are you ready to see what your dancers been working on in class? We are so EXCITED for you to see them perform!! Remember, each dancer performs twice, at 5:30 AND 7pm. Below are all the details that you need to know so that everyone can have a fantastic show! **The two shows will be in lieu of regular weekly classes. So no classes will be held June 22-26th.**

Costumes- Being passed out in class this week & are the dancers to keep. Please, no under garments showing AT ALL! This is very distracting on stage. Remember, costumes are custom ordered, but not custom made. Some alterations may be needed for your dancer to have the best fit. Alterations are the parents responsibilities, but were happy to give suggestions. Please keep costumes neat & clean until after the big show! No nail polish or glitter of any kind. Dancers that are in more than one dance will be emailed as to which costume to arrive in. NCDC staff will help them change into their next costume.

Dance Shoes- EVERYONE, please write your dancers FIRST and LAST name INSIDE each shoe!!! Its impossible for us to figure out the dancers shoes once they come off their little feet.

Tights- Some costumes require tights & some require socks. See the chart listed below, find your child's class and the chart will tell you which they are wearing. NCDC will be selling tights, but not socks. **Parents must come to the front desk by June 15th to purchase each dancer's tights so that the entire class matches.** Child tights are \$12.87 & Adult tights are \$ 13.84 (tax included). Charges can be added to your NCDC account for your convenience.

Socks- For costumes that call for socks, we ask the dancer's to provide their own socks. Please wear plain white socks that are "bobby sock" style (The kind that **fold** down at the ankle, no lace, any brand.)
*Boys- Any plain black socks that go to the calf, if your chart calls for it.

Note: Hip Hoppers- any plain white **long** socks & any plain white tennis shoes.

Picture Day- June 22 @ NCDC Beginning @ 10am- Individual Dancer Photos in Costume

You must sign up at the front office for a photo appt.

Picture order forms are available at the front office & will be returned on picture day to the photographer. Each dancer needs a form. Prices begin at just \$3.00 and up. Photos will be delivered to NCDC and families will be emailed when the orders arrive

DVDS- Order forms are available NOW at the front office. Three shows will be on one DVD, cost is \$30.

Show Details- Drop off your dancer **COMPLETELY DRESSED & READY** at the side door @ 5:00 pm with a full tummy ☺. **Pick up** your dancer at the side door directly after the end of the 7pm show. Shows are about 45 minutes long. Dancer will be watching a movie, or hearing stories during the shows and will be supervised by NCDC at all times. The dressing room is in Studio B and is very fun, but quite and relaxed. No food is allowed in the dressing room.

Dancers are individually excused by class to a parent at the side door. Please allow parents to step up out of the line when their dancers class is called. This helps expedite the pick up tremendously for each of our families. Remember, the kid's safety is the main priority!

Seating- All seats are assigned. We will seat the first show as close to 5:15pm as possible and the second show will seat as close to 6:45pm as possible. This varies sometimes if a dance needs to be ran before the show.

Hair- ALL dancers hair is to be in a **neat, tight**, low bun with no bangs **EXCEPT** for Hip Hop Dancers- Hair is to be in two low braids and bangs must be bobby pinned back. Hippy Hop Class- Hair is to be in two low braids also.

Make Up- We recommend blush, natural lips and a big smile!
NO COLORED LIPSTICK PLEASE. Mascara is okay if you would like, but not necessary.

Volunteers- Please email info@ncdc.com if you would like to volunteer to help during the show that you are not watching. Let us know who your dancer is and which show you would like to help with.

ABSOLUTELY NO CAMERAS OR VIDEO CAMERAS ALLOWED INSIDE THE THEATER.
